Annual tabletop gaming convention returns to Oshawa

Oshawa, ON – July 1, 2016 -- **The Field Marshal Gaming Convention** is an open tabletop gaming weekend held in Oshawa, Ontario, Canada.

Guests enjoying numerous board games

Now in its 6th year the convention provides its guests with an opportunity to get away and enjoy their favorite, and many new games face to face with other gaming enthusiasts.

The convention is an annual celebration of tabletop gaming held in Oshawa, Ontario every September. This weekend long event is host to tabletop games of all kinds, from your traditional (and not-so traditional) board games, card and dice games, to miniatures games.

This is a family friendly, casual event meant to create a weekend of fun and gaming with friends both old and new, held in a historic and atmospheric building.

Come for a day or for the entire weekend. In either case, come for the fun of tabletop gaming. Classic family games, euro games, "ameritrash", war games, miniatures, card games and dice games; play it all!

The convention hosts a public, *free to use*, games library of well over 150 games, available throughout the entire event. In addition, many special games events are scheduled to be played including participation demonstrations, a "Midnight Munchkin Madness" prize event, Tournaments, miniatures tables and a play-and-win selection of games.
